### 500NH HIGH BACK • SLIMLINE • ADMIRAL

Get all of the space-saving Slimline features in a high back configuration.

The 500NH powdercoated model is made to work and play as hard as you do. Designed to provide hours of comfort at the helm with the added support of a high backrest complete with three-position adjustable headrest.

Outfitted with our beautiful teak trim package this 57' Shearline stands out at the dock and is super comfortable all the way to the canyon and back.

**STIDD makes upgrading a snap!** Shown above: A Slimline high back with our 9" base pedestal makes for an easy installation aboard this Meridian 441 Sedan. Above right: Dual Slimline 500NH-FA Highbacks give this Fairline 65 new level of comfort.

We have comfortable solutions for every make and model. See pages 15, 16 and 17 for more mounting solutions or ask a sales rep.
