

Double Seats 1200 & 1200W

You can have it all . . . and here's proof. The new 75 Viking Motor Yacht features one STIDD Series 1200, one Series 1200W and one Series 500 at the helm.

1200 & 1200W DOUBLE SEATTEES

For side-by-side seating, STIDD Series 1200 Double Seats are the most accommodating seats you can buy. Select from premium chrome & stainless or powdercoat finishes in two models: Series 1200: 45-inches wide or Series 1200W: 54-inches wide.

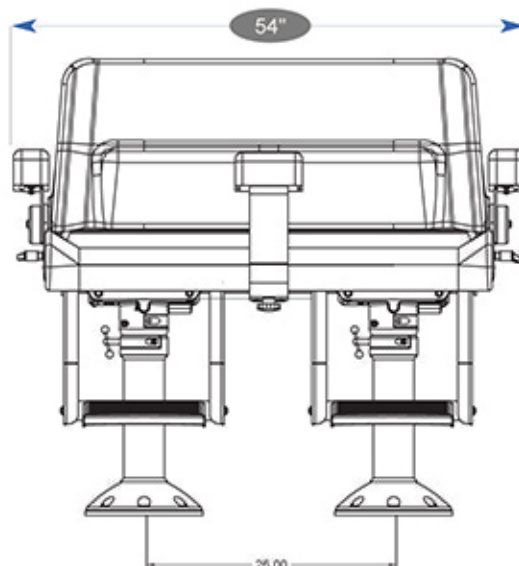

STANDARD SERIES 1200 FEATURES

8-inch fore/aft slides, twin telescoping pedestals with 8-inch vertical height range, individual folding footrests, folding armrests and one-piece 40° reclining backrest. Power options available. 1200W models include a removable center armrest. Consult page 16 and 17 for box mount options.
